## UP 108D3

### Home Series Vertical Piano

The luxurious finish and elegant styling of this piano make it irresistible to the person looking to unite concert hall sound quality with impeccable furniture design. Pearl River combines the finest materials with precision engineering to produce an instrument comparable to the most prestigious brands at a fraction of the price.

The Pearl River Piano Group, Ltd. was established in 1956 in Guangzhou, China and has rapidly grown to become manufacturer of the world's best-selling pianos. Today with nearly 4,000 employees and over 3 million square feet of production space, we have the capacity to manufacture more than 100,000 pianos per year. Additionally, we produce an extensive array of orchestral instruments.

We are proud to be the first piano factory in China to be awarded the distinguished ISO 9001 Certification for Quality Control Systems, as well as ISO 14001 for Environmental Management Compliance.

Our mission is to continue our commitment to the highest quality in the industry. Our promise is to deliver to you, our customer, an heirloom quality instrument worthy of you and the generations of your family to follow.
