

*The all new Ritmüller*

Available in:

Walnut Satin  
(A5C2)

**UP 110RB1**

*Ritmüller*  
Since - 1795

## Specifications:\*

**Action:** Manufactured with traditional European craftsmanship. All wood parts are made from hard maple and precisely produced by advanced CNC digital machinery to ensure even touch

**Action Rail:** Extruded aluminum

**Backposts:** Spruce

**Bridges:** Solid maple capped, vertically laminated bridge, promoting an efficient transfer of energy, resulting in purer sound

**Fallboard:** Standard

**Hardware:** Brass

**Hammers:** Specially selected hammer felt, with an excellent balance of elasticity and firmness, formed to produce a rich assertive tone

**Key Bed:** Butcher-block spruce

**Key Material:** Select straight grain spruce

**Middle Pedal:** Practice

**Pinblock:** 17 maple cross plied laminations, cold pressed and age cured to provide tuning pin stability

**Plate:** Sand-cast, CNC processed

**Soundboard:** All spruce, core assembled with vertical grain, crafted to provide maximum tonal response and structural integrity

**Strings:** German Röslau

**Tuning Pins:** Steel, cut thread, nickel plated to prevent rusting and maintain maximum torque

**Warranty:** 10 year parts & labor

### Measurements:

**Height:** 43.5 inches

**Weight:** 555 pounds (*Boxed, including bench*)

# UP110RB1

## Vertical Piano

Ritmüller pianos were originally produced in Germany where they established a reputation for innovation and quality that began in 1795. Today the brand is proudly manufactured in Guangzhou, China with a dedication to craftsmanship and state-of-the-art design that reflects both its aristocratic tradition and future-focused commitment to the latest in design & music technology.

Ritmüller pianos are built in the world's largest piano manufacturing center which was the first piano factory in China to be awarded the distinguished ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System compliance.

*Ritmüller*  
Since - 1795

Created by master piano designer, Lothar Thomma, this classic continental console with fluted square legs, squared paneled and molded music shelf and elegant curved moldings, brings the very latest in music design and technology to a piano that easily compliments a wide selection of interior furnishings.
