**Warranty:** 10 year parts & labor

### Measurements:

**Height:** 47.6 inches

**Weight:** 602 pounds *(Boxed, including bench)*

# UP121RB Vertical Piano

Ritmüller pianos were originally produced in Germany where they established a reputation for innovation and quality that began in 1795. Today the brand is proudly manufactured in Guangzhou, China with a dedication to craftsmanship and state-of-the-art design that reflects both its aristocratic tradition and future-focused commitment to the latest in design & music technology.

Ritmüller pianos are built in the world's largest piano manufacturing center which was the first piano factory in China to be awarded the distinguished ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System compliance.

*Ritmüller*  
Since - 1795

Perfected by master piano designer, Lothar Thomma, this traditional, professional studio upright with a stylized case brings the very latest in music design and technology to a highly functional, workhorse piano. Built to serve, the rounded arms and arm fronts, legs and complimentary toe block support the solid architecture.
